

Human Rights - "Religious Liberty"

Group Project #6

Two threats to our religious freedoms in modern Europe

Secularism and its false interpretation of the neutrality of the state

Religious freedom vs anti-discrimination

Secularism and its false interpretation of the neutrality of the state

Neutrality of the state = good

Secularism = bad

No one is neutral, not even one

MAKE ACTIVE USE OF OUR DEMOCRACY

Religious freedom vs anti-discrimination

The problem of religious organisations with discrimination, e.g. Exeter ECU

Misunderstanding of the importance of sound doctrine

No limits, then no identity
